

Lecture Schedule of Human Ecology II (FY 2017)

All the classes will be given by external lecturers as either a lecture or reading assignment class (language=English). Topics include various fields of human ecology and environmental health such as nutrition/obesity, population, behavior, chemicals and health, environmental risks, and environmental conservation.

Those who are interested in taking this course should contact with Dr Umezaki (umezaki@humeco.m.u-tokyo.ac.jp) by October 21.

Time: Wednesday 13:00-18:00

Place: Room E604 in the Annex of No. 3 Building of Medical Faculty
